

## Male to Male / Male to Female Luer Lock

| Part number | Description                   | Material |
|-------------|-------------------------------|----------|
| C11-111-131 | Male to Female Luer Lock      | ABS      |
| C11-111-251 | Male to Female Luer Lock      | PVC      |
| C11-111-331 | Male to Female Luer Lock      | PC       |
| SA0100      | Male to Male Luer Lock        | ABS, ABS |
| SA0101      | Male to Male Luer Lock        | PVC, ABS |
| SA0102      | Male to Male Luer Lock        | PC, ABS  |
| SB0063      | Male Luer Lock Injection Site | ABS      |
| SB0064      | Male Luer Lock Injection Site | PVC      |
| SB0065      | Male Luer Lock Injection Site | PC       |

## Double Dead Ender

| Part number | Description                           | Material |
|-------------|---------------------------------------|----------|
| E26-000-412 | Double Dead Ender, Non-Vented, White  | HDPE     |
| E26-000-413 | Double Dead Ender, Non-Vented, Red    | HDPE     |
| E26-000-416 | Double Dead Ender, Non-Vented, Blue   | HDPE     |
| E26-999-412 | Double Dead Ender, Vented, White      | HDPE     |
| E26-999-413 | Double Dead Ender, Vented, Red        | HDPE     |
| E26-999-416 | Double Dead Ender, Vented, Blue       | HDPE     |
| E27-000-412 | Universal Luer Cap, Non-vented, White | HDPE     |
| E27-000-416 | Universal Luer Cap, Non-vented, Blue  | HDPE     |

## Clamps

| Part number   | Description             | Material |
|---------------|-------------------------|----------|
| F18-000-122-2 | Mini Pinch Clamp, White | ABS      |
| SA0155        | Roller Clamp            | ABS      |
